

14TH/20TH KING'S HUSSARS

# NEWSLETTER

## THE NEWSLETTER

I have been scanning through and correcting the errors found on the website since the new template was installed. I have gone through all the pages and can find nothing else which needs my attention. The site is therefore fully functional once again. Again I ask, if you see or find anything that needs working on please contact me: [paul@baker.uk.com](mailto:paul@baker.uk.com) and I will correct any errors within 24 hours.

Major General Sir J. M. Palmer KCVO  
Colonel of the Regiment

## THE FORUM

There have been no new additions to the forum to date but I am not going to remove this option from the website. I will continue to post update on the forum, the Blog and this newsletter for the time being, but please remember these facilities are available on the website.

If you can think of something else that would be beneficial please let me know and I will try to add it to the site.

HRH The Princess Royal  
Colonel in Chief

I am still on the lookout for the journals of the 20th Hussars. If you have ANY or know where they can be purchased, borrowed or anything else please contact me: [paul@baker.uk.com](mailto:paul@baker.uk.com) this will enable me to provide you with the complete set of journals.

Any other publications are welcome also.
